

Learn Guitar or Bass with MARIO PALUMBO

Baltimore's performing and recording artist since 1983

How much success have you had with YouTube lessons?
Tired of having your local music store assigning different instructors?
How about those guitar tabs? They always seem to be wrong!

Are you ready to get serious and learn techniques, chords, and ear training in a comfortable, professional, state-of-the-art studio? Then don't waste another day, or another dollar! Call today!
